To scholarship recipients whose award period has not yet expired by the end of May :

Returning students continuing from the 2025 Spring semester to the Summer semester, please pay attention to the calculation of absentee hours:

Every single hour of class you miss in each calendar month (from 1st day to 31st) counts as absent hours—regardless of the reason why you miss the class.

For example, from May 1st to 31st, every hour you miss counts; this period includes all the classes you miss in both Spring course (May 2nd to 16th) and Summer course (May 26th to 29th). Please pay attention to your attendance and holiday arrangements in advance. Thank you!

● If you complete the course in May and satisfy the scholarship requirements, for example :

1.total absent hours of May shall NOT be more than 11 hours.

2.the final average grades of spring course shall be at least 80 points or more.

3.It is a MUST for those who are awarded 9 months of scholarships (or more) to submit the TOCFL grade report or certificate of Band B-Level 3 (or higher level) before 4/30(WED) ) ,

you will receive the scholarship around 6/16 (MON). Otherwise, you will lose the scholarship of that Month.
